Chapter 39 SexualOffender Registration and Monitoring

Part 2 Tennessee Sexual Offender and Violent SexualOffender Registration, Verification and Tracking Act of 2004
40-39-201. Short title -- Legislative findings.

(a) This part shall be known as and may be cited as the "Tennessee Sexual Offender and Violent Sexual Offender Registration, Verification and Tracking Act of 2004."

(b) The general assembly finds and declares that:

(1) Repeat sexual offenders, sexual offenders who use physical violence and sexual offenders who prey on children are violent sexual offenders who present an extreme threat to the public safety. Sexual offenders pose a high risk of engaging in further offenses after release from incarceration or commitment and protection of the public from these offenders is of paramount public interest;

(2) It is a compelling and necessary public interest that the public have information concerning persons convicted of sexual offenses collected pursuant to this part, to allow members of the public to adequately protect themselves and their children from these persons;

(3) Persons convicted of these sexual offenses have a reduced expectation of privacy because of the public's interest in public safety;

(4) In balancing the sexual offender's and violent sexual offender's due process and other rights against the interests of public security, the general assembly finds that releasing information about offenders under the circumstances specified in this part will further the primary governmental interest of protecting vulnerable populations from potential harm;

(5) The registration of offenders, utilizing complete and accurate information, along with the public release of specified information concerning offenders, will further the governmental interests of public safety and public scrutiny of the criminal and mental health systems that deal with these offenders;

(6) To protect the safety and general welfare of the people of this state, it is necessary to provide for continued registration of offenders and for the public release of specified information regarding offenders. This policy of authorizing the release of necessary and relevant information about offenders to members of the general public is a means of assuring public protection and shall not be construed as punitive;

(7) The offender is subject to specified terms and conditions that are implemented at sentencing or, at the time of release from incarceration, that require that those who are financially able must pay specified administrative costs to the appropriate registering agency, which shall retain one hundred dollars ($100) of these costs for the administration of this part and shall be reserved for the purposes authorized by this part at the end of each fiscal year, with the remaining fifty dollars ($50.00) of fees to be remitted to the Tennessee bureau of investigation's sex offender registry; provided, that a juvenile offender required to register under this part shall not be required to pay the administrative fee until the offender reaches eighteen (18) years of age; and

(8) The general assembly also declares, however, that in making information about certain offenders available to the public, the general assembly does not intend that the information be used to inflict retribution or additional punishment on those offenders.

As used in this part, unless the context otherwise requires:

(1) [Deleted by 2012 amendment, effective July 1, 2012.]

The TBI shall provide viewing and limited write access directly to the SOR through the TIES internet to registering agencies for the entry of record verification data, changes of residence, employment or other pertinent data required by this part and to assist in offender identification. Registering agencies should immediately, but in no case to exceed twelve (12) hours from registration, enter all data received from the offender as required by the TBI and § 40-39-203(i), into the TIES internet for the enforcement of this part by TBI, designated law enforcement agencies, TDOC, and private contractors with TDOC.

(b) (1) Violent sexual offenders shall report in person during the months of March, June, September, and December of each calendar year, to the designated law enforcement agency, on a date established by such agency, to update the offender's fingerprints, palm prints and photograph, as determined necessary by the agency, and to verify the continued accuracy of the information in the TBI registration form. Offenders who reside in nursing homes and assisted living facilities and offenders committed to mental health institutions or continuously confined to home or health care facilities due to mental or physical disabilities are exempt from the in-person reporting and fingerprinting, as otherwise provided by this part. The remaining fifty dollars ($50.00) shall be submitted by the registering agency to the TBI for maintenance, upkeep and employment costs, as well as any other expenses incurred as a result of the implementation of this part. Offenders who reside in nursing homes and assisted living facilities and offenders committed to mental health institutions or continuously confined to home or health care facilities due to mental or physical disabilities are exempt from paying the administrative cost as otherwise provided by this part.

Offenders whose initial registration occurs after the annual reporting period shall be required to pay the administrative costs at the time of the initial registration. Offenders who reside in nursing homes and assisted living facilities and offenders committed to mental health institutions or continuously confined to home or health care facilities due to mental or physical disabilities are exempt from the in-person reporting and fingerprinting and administrative cost as otherwise provided by this part. However, if an offender is released or discharged from a nursing home, assisted living facility or mental health institution or is no longer continuously confined to home or a health care facility due to mental or physical disabilities, the offender shall, within forty-eight (48) hours, register in person with the designated law enforcement agency, completing and signing a TBI registration form, under penalty of perjury, pursuant to § 39-16-702(b)(3). The photographs of the offender, vehicles and vessels, and the fingerprints should also be sent by United States postal service within three (3) days, if not electronically submitted to TBI headquarters in Nashville. The registering agency shall retain a duplicate copy of the TBI registration form as a part of the business records for that agency.

(d) Not more than forty-eight (48) hours prior to the release of an offender from incarceration,
with or without supervision, the warden of the correctional facility or the warden's designee, or sheriff of the jail or the sheriff's designee, shall obtain the offender's signed statement acknowledging that the official has fully explained, and the offender understands, the registration, verification and tracking requirements and sanctions of this part. (e) If the offender is placed on unsupervised probation, the court shall fully explain to the offender, on the court record, the registration, verification and tracking requirements and sanctions of this part. The court shall then order the offender to report within forty-eight (48) hours, in person, to the appropriate registering agency to register as required by the provisions of this part.

(f) Through press releases, public service announcements or through other appropriate public information activities, the TBI shall attempt to ensure that all offenders, including those who move into this state, are informed and periodically reminded of the registration, verification and tracking requirements and sanctions of this part.

(a) Using information received or collected pursuant to this part, the TBI shall establish, maintain and update a centralized record system of offender registration, verification and tracking information. The TBI may receive information from any credible source and may forward the information to the appropriate law enforcement agency for investigation and verification. The TBI shall promptly report current sexual offender registration, verification and tracking information to the identification division of the federal bureau of investigation.

(b) Whenever there is a factual basis to believe that an offender has not complied with the provisions of this part, pursuant to the powers enumerated in subsection (e), the TBI shall make the information available through the SOR to the district attorney general, designated law enforcement agencies and the probation officer, parole officer or other public officer or employee assigned responsibility for the offender's supervised release.

If an offender from another state establishes a residence in this state and is required to register in this state pursuant to § 40-39-203, the information concerning the registered

the date of conviction of the offender in the other state. In addition to making the information
available in the same manner as public records, the TBI shall prepare and place the information
on the state's Internet home page. This information shall become a part of the Tennessee
internet criminal information center when that center is created within the TBI. The TBI shall also
establish and operate a toll-free telephone number, to be known as the "Tennessee Internet

40-39-207. Request for termination of registration requirements -- Tolling of reporting period -- Review of decisions to deny termination of reporting requirements -- Lifetime registration.

(a) (1) No sooner than ten (10) years after termination of active supervision on probation, parole or any other alternative to incarceration, or no sooner than ten (10) years after discharge from incarceration without supervision, an offender required to register under this part may file a request for termination of registration requirements with TBI headquarters in Nashville.

(2) Notwithstanding subdivision (a)(1), if a court of competent jurisdiction orders that an offender's records be expunged pursuant to § 40-32-101, and the offense being expunged is an offense eligible for expunction under § 40-32-101, the TBI shall immediately remove the offender from the SOR and the offender's records shall be removed as provided in § 40-39-209.

(b) Upon receipt of the request for termination, the TBI shall review documentation provided by the offender and contained in the offender's file and the SOR, to determine whether the offender has complied with this part. In addition, the TBI shall conduct fingerprint-based state and federal criminal history checks, to determine whether the offender has been convicted of any additional sexual offenses, as defined in § 40-39-202, or violent sexual offenses, as defined in § 40-39-202.

(c) If it is determined that the offender has not been convicted of any additional sexual offenses or violent sexual offenses during the ten-year period and that the offender has substantially complied with this part and former part 1 of this chapter [repealed], the TBI shall remove the offender's name from the SOR and notify the offender that the offender is no longer required to comply with this part.

(d) If it is determined that the offender has been convicted of any additional sexual offenses or violent sexual offenses during the ten-year period or has not substantially complied with this part and former part 1 of this chapter [repealed], the TBI shall not remove the offender's name from the SOR and shall notify the offender that the offender has not been relieved of the provisions of this part.

(e) If an offender is denied a termination request based on substantial noncompliance, the offender may petition again for termination no sooner than five (5) years after the previous denial.

(f) Immediately upon the failure of a sexual offender to register or otherwise substantially comply with the requirements established by this part, the running of the offender's ten-year reporting period shall be tolled, notwithstanding the absence or presence of any warrant or indictment alleging a violation of this part.

(g) An offender whose request for termination of registration requirements is denied by a TBI official may petition the chancery court of Davidson County or the chancery court of the county where the offender resides, if the county is in Tennessee, for review of the decision. The review shall be on the record used by the TBI official to deny the request. The TBI official who denied the request for termination of registration requirements may submit an affidavit to the court detailing the reasons the request was denied.

(1) An offender required to register under this part shall continue to comply with the registration, verification and tracking requirements for the life of that offender, if that offender:

(A) Has one (1) or more prior convictions for a sexual offense, as defined in § 40-39-202, regardless of when the conviction or convictions occurred; or

(B) Has been convicted of a violent sexual offense, as defined in § 40-39-202.

(B) "Prior conviction" includes convictions under the laws of any other state, government or country that, if committed in this state, would constitute a sexual offense. If an offense in a jurisdiction other than this state is not identified as a sexual offense in this state, it shall be considered a prior conviction if the elements of the offense are the same as the elements for a sexual offense; and

(C) "Separate period of incarceration or supervision" includes a sentence to any of the sentencing alternatives set out in § 40-35-104(c)(3)-(9). A sexual offense shall be considered as having been committed after a separate period of incarceration or supervision if the sexual offense is committed while the person was:

(i) On probation, parole or community correction supervision for a sexual offense;

(ii) Incarcerated for a sexual offense;

(iii) Assigned to a program whereby the person enjoys the privilege of supervised release into the community, including, but not limited to, work release, educational release, restitution release or medical furlough for a sexual offense; or

(h) (1) Any offender required to register pursuant to this chapter because the offender was convicted of the offense of statutory rape under § 39-13-506 and the offense was committed prior to July 1, 2006, may file a request for termination of registration requirements with TBI headquarters in Nashville, if the offender would not be required to register if the offense was committed on or after July 1, 2006.

(2) Upon receipt of the request for termination, the TBI shall review documentation provided by the offender and contained in the offender's file and the SOR, to determine whether the offender would not be required to register if the offender committed the same offense on or after July 1, 2006. In addition, the TBI shall conduct fingerprint-based state and federal criminal history checks, to determine whether the offender has been convicted of any additional sexual offenses, as defined in § 40-39-202, or violent sexual offenses, as defined in § 40-39-202.

(3) If it is determined that the offender would not be required to register if the offense was committed on or after July 1, 2006, that the offender has not been convicted of any additional sexual offenses or violent sexual offenses and that the offender has substantially complied with this part and any previous versions of this part, the TBI shall remove the offender's name from the SOR and notify the offender that the offender is no longer required to comply with this part.

(4) If it is determined that the offender would still be required to register even if the statutory rape had been committed on or after July 1, 2006, or that the offender has been convicted of any additional sexual offenses or violent sexual offenses during the period of registration or has not substantially complied with this part and the previous versions of this part, the TBI shall not remove the offender's name from the SOR and shall notify the offender that the offender has not been relieved of this part.

(5) An offender whose request for termination of registration requirements is denied by a TBI official may petition the chancery court of Davidson County or the chancery court of the county where the offender resides, if the county is in this state, for review of the decision. The review shall be on the record used by the TBI official to deny the request. The TBI official who denied the request for termination of registration requirements may submit an affidavit to the court detailing the reasons the request was denied.
(i) (1) (A) If a person convicted of an offense was not required to register as an offender prior to August 1, 2007, because the person was convicted, discharged from parole or probation supervision or discharged from incarceration without supervision prior to January 1, 1995, for an offense now classified as a sexual offense, the person may file a request for termination of registration requirements with TBI headquarters in Nashville, no sooner than five (5) years from August 1, 2007, or the date the person first registered with the SOR, whichever date is later.

(B) The procedure, criteria for removal and other requirements of this section shall otherwise apply to an offender subject to removal after five (5) years as specified in subdivision (i)(1)(A).

(2) If a person convicted of an offense was not required to register as an offender prior to August 1, 2007, because the person was convicted, discharged from parole or probation supervision or discharged from incarceration without supervision prior to January 1, 1995, for an offense now classified as a violent sexual offense, the person shall continue to comply with the registration, verification and tracking requirements for the life of that offender.

(3) (A) If a person convicted of an offense was not required to register as an offender prior to July 1, 2010, for an offense now classified as a sexual offense, the person may file a request for termination of registration requirements with TBI headquarters in Nashville, no sooner than five (5) years from July 1, 2010, or the date the person first registered with the SOR, whichever date is later.

(B) The procedure, criteria for removal and other requirements of this section shall otherwise apply to an offender subject to removal after five (5) years as specified in subdivision (i)(3)(A).

(C) If a person convicted of an offense was not required to register as an offender prior to July 1, 2010, for an offense now classified as a violent sexual offense, the person shall continue to comply with the registration, verification and tracking requirements for the life of that offender.

(j) (1) Violent juvenile sexual offenders who are currently registered as such and who receive a subsequent adjudication in juvenile court or a court having juvenile court jurisdiction for one of the offenses listed in § 40-39-202(28) or a crime that if committed in this state would require registration shall be required to register for life. Information concerning the violent juvenile sexual offender who commits a subsequent offense listed in § 40-39-202(28), which was formerly considered confidential under § 40-39-206(e), shall be deemed public information once the offender reaches the offender's eighteenth birthday.

(2) Violent juvenile sexual offenders who are currently registered as such and who, upon reaching the age of eighteen (18), are convicted of a sexual offense as set out in § 40-39-202(20) or a violent sexual offense as set out in § 40-39-202(30) shall be required to register for life. Information concerning the violent juvenile sexual offender who commits a subsequent offense listed in § 40-39-202(20) or § 40-39-202(30), which was formerly considered confidential under § 40-39-206(e), shall be deemed public information.

(3) Violent juvenile sexual offenders who reach the age of twenty-five (25), and who have not been adjudicated or convicted of a subsequent qualifying offense as set out in subdivisions (j)(1) and (2), shall be eligible for termination from the SOR. Upon reaching the age of twenty-five (25), the violent juvenile sexual offender may apply for removal from the SOR by use of a form created by the TBI. The form will contain a statement, sworn to by the offender under the penalty of perjury, that the offender has not been convicted of or adjudicated delinquent of any of the offenses set out in subdivisions (j)(1) and (2).

(4) TBI shall also conduct fingerprint-based state and federal criminal history checks to determine whether the violent juvenile sexual offender has been convicted of or adjudicated on any prohibited crimes as set out in subdivisions (j)(1) and (2), including crimes committed in other jurisdictions.
If the violent juvenile sexual offender has not been convicted or adjudicated delinquent in any of the prohibited crimes, the offender shall be removed from the sex offender registry.

Every offender eligible to receive the license or identification card shall always have the license or identification card in the offender's possession. If any offender is determined to be indigent, an identification card or other documentation in lieu of an identification card shall be issued to the offender at no cost.

It is a defense to a violation of this section that the offender was the parent of the minor in the offender's presence.

A violation of this section is a Class A misdemeanor.

(c) Nothing in this section shall prevent a total ban of the offender's access to a public library so long as the criteria in subsection (b) are considered.

(d) The restrictions of this part shall be effective upon the mailing of notice to the address of the offender as listed on the sex offender registry.
