(a) (1) The board shall determine the likelihood that a sexual **offender** will engage in another crime against a victim who is a minor or a dangerous sexual offense. The board shall make such determination for any sexual **offender** convicted on or after July 1, 2006, of a criminal offense against a victim who is a minor or a dangerous sexual offense and for any sexual **offender** incarcerated on July 1, 2006, but convicted prior to July 1, 2006, of a criminal offense against a victim who is a minor. Any sexual **offender** who changes residence from another state or territory of the United States or any other place to this state and who is not already designated under Georgia law as a sexually dangerous predator, sexual predator, or a sexually violent predator shall have his or her required **registration** information forwarded by the sheriff of his or her county of **registration** to the board for the purpose of risk assessment classification. The board shall also make such determination upon the request of a superior court judge for purposes of considering a petition to be released from **registration** restrictions or residency or employment restrictions as provided for in [Code Section 42-1-19](#).

(2) A sexual **offender** shall be placed into Level I risk assessment classification, Level II risk assessment classification, or sexually dangerous predator classification based upon the board's assessment criteria and information obtained and reviewed by the board. The sexual **offender** may provide the board with information, including, but not limited to, psychological evaluations, sexual history polygraph information, treatment history, and personal, social, educational, and work history and may agree to submit to a psychosexual evaluation or sexual history polygraph conducted by the board. If the sexual **offender** has undergone treatment through the Department of Corrections, such treatment records shall also be submitted to the board for evaluation. The prosecuting attorney shall provide the

board with any information available to assist the board in rendering an opinion, including, but not limited to, criminal history and records related to previous criminal history. The board shall utilize the Georgia Bureau of Investigation to assist it in obtaining information relative to its evaluation of sexual **offenders** and the Georgia Bureau of Investigation shall provide the board with information as requested by the board. The board shall be authorized to obtain information from supervision records of the Board of Pardons and Paroles regarding such sexual **offender**, but such records shall remain confidential state secrets in accordance with [Code Section 42-9-53](#) and shall not be made available to any other person or entity or be subject to subpoena unless declassified by the State Board of Pardons and Paroles. The clerk of court shall send a copy of the sexual **offender's** conviction to the board and notify the board that a sexual **offender's** evaluation will need to be performed. The board shall render its recommendation for risk assessment classification within:

(A) Sixty days of receipt of a request for an evaluation if the sexual **offender** is being sentenced pursuant to subsection (c) of [Code Section 17-10-6.2](#);

(B) Six months prior to the sexual **offender's** proposed release from confinement if the **offender** is incarcerated;

(C) Sixty days of receipt of the required **registration** information from the sheriff when the sexual **offender** changes residence from another state or territory of the United States or any other place to this state and is not already classified;

(D) Sixty days if the sexual **offender** is sentenced to a probated or suspended sentence; and

(E) Ninety days if such classification is requested by the court pursuant to a petition filed under [Code Section 42-1-19](#).

(3) The board shall notify the **sex offender** by first-class mail of its determination of risk assessment classification and shall send a copy of such classification to the Georgia Bureau of Investigation, the Department of Corrections, the sheriff of the county where the sexual **offender** is registered, and the sentencing court, if applicable.

(b) If the board determines that a sexual **offender** should be classified as a Level II risk assessment classification or as a sexually dangerous predator, the sexual **offender** may petition the board to reevaluate his or her classification. To file a petition for reevaluation, the sexual **offender** shall be required to submit his or her written petition for reevaluation to the board within 30 days from the date of the letter notifying the sexual **offender** of his or her classification. The sexual **offender** shall have 60 days from the date of the notification letter to submit information as provided in subsection (a) of this Code section in support of the sexual **offender's** petition for reevaluation. If the sexual **offender** fails to submit the petition or supporting documents within the time limits provided, the classification shall be final. (c) A sexual **offender** who is classified by the board as a Level II risk assessment classification or as a sexually dangerous predator may file a petition for judicial review of his or her classification within 30 days of the date of the notification letter or, if the sexual

offender has requested reevaluation pursuant to subsection (b) of this Code section, within 30 days of the date of the letter denying the petition for reevaluation. The petition for judicial review shall name the board as defendant, and the petition shall be filed in the superior court of the county where the offices of the board are located. Within 30 days after service of the appeal on the board, the board shall submit a summary of its findings to the court and mail a copy, by first-class mail, to the sexual **offender**. The findings of the board shall be considered prima-facie evidence of the classification. The court shall also consider any relevant evidence submitted, and such evidence and documentation shall be mailed to the parties as well as submitted to the court. The court may hold a hearing to determine the issue of classification. The court may uphold the classification of the board, or, if the court finds by a preponderance of the evidence that the sexual **offender** is not placed in the appropriate classification level, the court shall place the sexual **offender** in the appropriate risk assessment classification. The court's determination shall be forwarded by the clerk of the court to the board, the sexual **offender**, the Georgia Bureau of Investigation, and the sheriff of the county where the sexual **offender** is registered.

(d) Any individual who was classified as a sexually violent predator prior to July 1, 2006, shall be classified as a sexually dangerous predator on and after July 1, 2006.

(e) Any sexually dangerous predator shall be required to wear an electronic monitoring system that shall have, at a minimum:

(1) The capacity to locate and record the location of a sexually dangerous predator by a link to a global positioning satellite system;

(2) The capacity to timely report or record a sexually dangerous predator's presence near or within a crime scene or in a prohibited area or the sexually dangerous predator's departure from specific geographic locations; and

(3) An alarm that is automatically activated and broadcasts the sexually dangerous predator's location if the global positioning satellite monitor is removed or tampered with by anyone other than a law enforcement official designated to maintain and remove or replace the equipment.

Such electronic monitoring system shall be worn by a sexually dangerous predator for the remainder of his or her natural life. The sexually dangerous predator shall pay the cost of such system to the Department of Corrections if the sexually dangerous predator is on probation; to the State Board of Pardons and Paroles if the sexually dangerous predator is on parole; and to the sheriff after the sexually dangerous predator completes his or her term of probation and parole or if the sexually dangerous predator has moved to this state from another state, territory, or country. The electronic monitoring system shall be placed upon the sexually dangerous predator prior to his or her release from confinement. If the sexual **offender** is not in custody, within 72 hours of the decision classifying the sexual **offender** as a sexually dangerous predator in accordance with subsection (b) of this Code section, the sexually dangerous predator shall report to the sheriff of the county of his or her residence for purposes of having the electronic monitoring system placed on the sexually dangerous predator.

(f) In addition to the requirements of **registration** for all sexual **offenders**, a sexually dangerous predator shall report to the sheriff of the county where such predator resides six months following his or her birth month and update or verify his or her required **registration** information.
