SUBJECT: Moratorium on Enforcement of Chapter 9.22 H.B.M.C.

DATE: January 29, 2013

Due to a pending legal challenge against the Orange County Registered Sex Offenders in Parks Ordinance, and a pending modification to the Huntington Beach Sex Offenders in Parks Ordinance by the city council, employees shall not enforce the provisions of this ordinance until further notice. I anticipate the moratorium will remain in place until the Court of Appeal makes a decision on the pending case of *People v. Gondinez*, Case No. G047657, which concerns whether the County Ordinance is preempted by State law
