We understand your frustration when you feel like screaming to the heavens:

# 'I JUST WANT MY LIFE BACK!'

Dear Friend,

Under the new Sex Offender Registration Act taking effect this July 1st, 2021, "Tier 3 offenders" are required to register for life. HOWEVER, other sex offenders – maybe YOU – are eligible for removal from the Registry after being on it **as few as 10 years!**

But EVEN IF you're a sex offender whose registration period has already passed, **you will NOT be automatically removed from the Sex Offender Registry!** The new law requires you, when you are eligible, to file a petition for removal from the Registry. The new law also gives the prosecutor the right to argue for "continued registration" **even after your registration period has elapsed!** To submit a **solid** petition and **counter the prosecutor** who may oppose your petition, you need a **KNOWLEDGEABLE** trial lawyer on your side who is as **AGGRESSIVE AS A PIT BULL!**

Filing on your own -- or worse, with a weak sauce attorney who doesn't know the ins and outs of the new Sex Offender Registration Law the way we do -- could be **CATASTROPHIC!** Your petition may be denied. And the judge may make you **wait up to an additional 5 years** before you can reapply to get off the Registry!

**You need Attorney Joseph L. Coimbra!**

Don't live the rest of your days regretting that you didn't at least **CONTACT Attorney Joseph L. Coimbra.** It may be the most important call you've ever made in your life...for your FREEDOM, your FAMILY, for your HUMANITY.

If you're a Tier 3 Offender and you want to know what legal options you have, OR you're not sure if or when you're eligible to petition for removal from the Registry under the new law, you are ALSO welcome to contact us.

**This may be your last, once-in-a-lifetime opportunity to get your life back. Contact us online or make the call, Friend:**
