WHAT IF THIS LETTER WERE A SIGN FROM GOD?

It is said the Lord works in mysterious ways, that He speaks through the circumstances. So, what if God were trying to tell YOU, through this letter, that it’s time to begin to reclaim your life from the clutches of the Sex Offender REGISTRY? **Would you dare ignore HIS sign?**

Massive, revolutionary changes to California’s sex offender registry laws are about to go into effect on July 1, 2021. You owe it to yourself to at least meet with me, an Award-Winning, Jesus-Loving, God-Fearing, Sex Offender Registration Removal Petition Adversarial Hearing Attorney to find out:

† Do you stand to benefit from these changes? Why or why not? If you do, its time to prepare NOW.

† Can something be done right away to challenge your Internet visibility?

† How will a major legislative act from August 2020 impact your efforts to petition off the Registry?

† What “tier” are you? Could it be possible to move you down from Tier 3 ...as far down as Tier 1?

† Were you innocent of the crime you were convicted of? If so, could there be a way to reverse your conviction altogether?

**God helps those who help themselves.** Contact us online or make the call for your free, no-risk, no-cost, Covid-SAFE consultation. It would be in your best interest to reserve your consultation as soon as possible given the extraordinarily high level of demand we are experiencing.

*You were made in God’s image! And it’s time to reclaim your freedom, dignity and humanity!*
