

Aren't you sick of your PC290 status causing you to be **LOOKED AT WITH DISGUST?**

Hardly anybody* is as zeroed in for hatred, persecution, and abuse as convicted sex offenders and persons perceived as "pedophiles." In fact, an entire cottage industry of "predator catchers" has developed online. They single out sex offenders for public humiliation and even criminal liability, and may even use decoys pretending to be minors to entrap unsuspecting Registrants. To make matters worse, many people on Megan's Law lists are automatically assumed to be "pedophiles" whether or not their offenses involved minors.

Due to your legal status, this terrible stigma may taint most aspects of your life. Jesus Christ said: "I have come that you may have life and may have it more abundantly." John 10:10. Many will agree that being on the Registry robs them of living "an abundant life."

The New Testament also says: "If the Son [of God] sets you free, you will be free indeed." John 8:36. Our award-winning, PC290 registration termination lawyer is infused with inspiration from Jesus Christ (the Son of God). In this way, we believe our Sex Offender Registration and Internet Profile Removal Attorney can serve as God's instrument in your liberation. We want you to be free from the chains of the Registry and the public scorn which comes with it.

Make the call to begin the process of getting back your life, freedom, and personal dignity so that you may live it more abundantly. Enough scorn. Enough shame. Enough ridicule. No more chains. In Christ's name. Call today for your no-cost, in-person, Covid-SAFE appointment.
