Dear California Registered Offender [REDACTED]

Former Governor Jerry Brown signed into law S.B. 384 which now allows certain lifetime registered sex offenders to petition the court to terminate their registration. Petitions can be filed as early as July 1, 2021. I am writing to inform you of my **legal document preparation service** that can prepare your *Petition to terminate lifetime sex offender registration*. My company will pull your criminal records from the courthouse of your old P.C. 290 conviction, and then I will prepare the legal documents that you need. During these extremely difficult times I understand that not everyone can afford to hire an expensive attorney. No worries, just hire a *legal document assistant* who can assist Pro Se litigants with their legal document preparation needs at affordable pricing. Once your legal documents are prepared you merely file them at the local courthouse, and wait to hear back from the court. *It's really that simple.*
