Los Angeles, California 90015

Dear **[REDACTED]**

Former Governor Jerry Brown signed into law S.B. 384 which allows certain lifetime registered sex offenders to petition the court to terminate their registration. I am writing to inform you of my **legal document preparation service** that can prepare your *Petition to terminate lifetime sex offender registration, Proof of Service, & Court Order*. I will retrieve your criminal records from the courthouse of your old *P.C. 290 conviction*. Then I will prepare the legal documents that you will need to file with the criminal clerk of court to terminate your lifetime sex offender registration. During these difficult times I understand that not everyone can afford to hire an expensive attorney. Then just hire a **legal document assistant** who can assist Pro Se litigants in California with their legal document preparation needs at affordable pricing. I will e-mail your completed documents to you and then you just file them at the local courthouse in the jurisdiction where you reside and wait to hear back from the court. *It's really that simple.*

**Petition to terminate lifetime sex offender registration, Proof of Service, Court Order**

**\$995.00**
